

WHAT OTHERS ARE SAYING!!!

"...Our week at Eagle Lake Lodge was one of the best family vacations we've ever taken! We love the rustic cabins and the views from every direction are spectacular."

Hooked on Eagle Lake Lodge

Located on the South shore of Eagle Lake, serving families since the mid 1930's, we are a small family resort consisting of six rustic cabins and one trailer.

Our lake contains fish for everyone.... crappies, northern, blue gill, sun fish, bass (small and large mouth) and even some walleye. The clear spring fed lake is suitable for swimming from our sandy beach. Canoeing, tubing, kayaking, or water skiing can also be found on the lake during the day.

With over 500 feet of sandy beach shoreline, our facilities include a children's play area, laundry facilities, volleyball court, picnic tables, two decks overlooking the lake, a beach fire pit and a fish cleaning house. We have a canoe, kayaks and paddle boat for our guests to use. A pontoon is available for rent either by the day or by the week.

Each cabin has a minimum of 2 bedrooms with double beds in each. Wi-Fi is available to our guests at no charge.

WHAT OTHERS ARE SAYING:

"My family and I spend a week at Eagle Lake Lodge during the summer. It is a great place for a little family reunion to relax and have a great time. Eagle Lake is great for fishing and the Lodge is a great environment for all ages. We will continue to vacation at the Lodge and we highly recommend it to others!"

"...Our vacation was much more than I expected."

"It is a wonderful place to vacation and the fishing has always been wonderful. I would not trade those family memories and great fishing for anything."
